February 2017

Dear Kindergarten Teachers,

We are inviting your students to participate in a special Arbor Day contest --- just for Kindergarteners! We would like children to tap into their creativity by drawing a picture of a tree (real or imagined) that tells a visual story. Do they have a favorite tree growing in their yard, trees in the neighborhood they climb or play under, love trees that grow fruit, flowers or nuts? Do they enjoy seeing birds, squirrels and other wildlife playing and being sheltered by trees? This may start an interesting dialogue about some of the benefits of trees in our world, which is our goal: to raise awareness about the importance of trees! Thank you for encouraging your students to participate. I hope they enjoy this challenge! Call Carol Alex with questions: 858-8797
